Artist's Statement: "...Hagar is an icon of strength and sustenance in those dry desert places... In the image, her hair waves and becomes the water that keeps her and Ishmael alive. Her eyes are saturated and full, holding the grace that God so freely offered, the grace that humanity withheld from her. The pattern of her garments echoes her *Clear Vision*, and the many people of the great nation [that will descend from her], shimmer around Ishmael's face like countless stars in the sky."
