Let us enter the city with God today, And sing hosannas to our king, Let us turn our backs on the powers that grasp and control, And open our hearts to the son of God riding on a donkey. Let us join his parade, Surrounded by outcasts and prostitutes, the blind and the leper. Let us follow the one who brought freedom and peace, And walk in solidarity with the abandoned and oppressed. Let us shout for joy at Christ's coming and join his disciples, Welcoming the broken, healing the sick, dining with outcasts. Let us touch and see as God draws near, Riding in triumph towards the Cross
